Honorable William J. Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

Enclosed is a copy of the report approved by the Committee on Government Operations entitled, "Questionable Decisions by Program Managers Undermine the Federal Government's Audit Process."

The report is the result of the Legislation and National Security Subcommittee's review and August 8, 1984 hearing concerning Federal agencies' audit resolution policies and procedures. It contains recommendations intended to assure the proper resolution of audit findings. While these recommendations are addressed primarily to the Office of Management and Budget, the report also recommends that all Federal audit organizations establish and maintain appropriate systems for determining whether necessary corrective actions are taken on audit findings and recommendations.

I would appreciate your advising the Committee within 30 days as to the actions you have taken or plan to take in response to the report's recommendations. With every good wish, I am

Sincerely,

JACK BROOKS
Chairman
